love earth tour europe uk usa canada 2025

February 24, 2025 (Los Angeles, CA) — Today, **neil young and the chrome hearts** announce the *love earth* world tour, to take place this Summer. Kicking off on June 18 in Rättvik, Sweden, the first leg of the tour travels through the EU and UK. The North American leg begins in Charlotte on August 8 before concluding in Los Angeles on September 15.

Tickets are available beginning tomorrow, February 25 via an exclusive, 48-hour presale for **Neil Young Archives** members. General on-sale begins Friday, February 28. Click [HERE](#) for tickets and see the full list of dates below. More dates will be added shortly.

With his band, **the chrome hearts**—**Spooner Oldham** (Farfisa organ), **Micah Nelson** (guitar and vocal), **Corey McCormick** (bass and vocal), **Anthony LoGerfo** (drums)—**Neil Young** (guitar and vocal) is bringing his music and songs, new and old, to you. Their recent single “**big change**” is the first introduction of what’s to come on the *love earth* tour.

Neil Young is proud to partner with **Farm Aid** (co-founded by **Neil Young** in 1985) to bring **HOMEGROWN Concessions** to this tour, leading the way to change the live music food system. **HOMEGROWN Concessions** brings family farm food — produced sustainably with a fair price paid to the farmer and served on compostable serviceware — to music venues.
